

Jessica Beckstead

Managing Director, America

Based in New York, Jessica Beckstead is OANDA's Managing Director for North America and US CEO. She is responsible for driving the continued success of the firm's growth throughout the US and Canada.

Jessica is a 19-year veteran of the FX & CFD industry.

She joined OANDA from FXCM Inc., where she previously served as Managing Director - Global Head of Sales & Customer Success. Prior she was Managing Director of the US for FXCM before moving to Australia to become CEO of FXCM Australia. In her positions at FXCM she shaped and developed the firm's commercial agenda and extended both its market outreach and geographical footprint.
